

# SPIRITUAL HEALTH BOOKLETS

The professional staff of the West Virginia Baptist Convention asked the question, "What is the prescription for Spiritual Health?" In answering this question, we settled on four primary components that if present in the life of a Christian or in the life of a church, would always be there. **M**ission; **E**vangelism; **D**iscipleship; **S**tewardship: these **MEDS** are the focus of workshops and small group materials created by the staff of the West Virginia Baptist Convention. It is our prayer you and your congregation are on the road to Spiritual Health and that you are taking your MEDS.

In addition to the **MEDS** small group material booklets, the West Virginia Baptist Convention has trained leaders available to lead workshops and events in each of the **MEDS** upon request.
