Digital Classroom Mentoring Objectives:

- 1) To verify completion of the objectives of each separate class;
- 2) To engage with the text and fellow students as you learn;
- 3) To be able to reflect on the lessons, both privately and with the mentoring group;
- 4) To reflect upon connections between information, ministry, personal processing, relationship to God, and emotional, spiritual health.

Participation-I understand that each digital class is a personal commitment. As a participant, I agree to complete the assignments for each session to the best of my ability. I agree to be present at each mentoring session, unless emergency situations or illness prevent my attendance. I agree to participate in exercises and discussions, knowing that my words and actions are confidential.

Confidentiality-I understand that confidentiality is a mutual expectation within the group. I agree to keep the words and actions of the leader and other participants confidential and undisclosed to church members, friends, or family. I can freely discuss what we study, but will not disclose private information. I understand that my words will be kept confidential also.
