## Community Ministry (Mod-5) Six-hour class

*This class is required for the diploma in Pastoral Ministry and the certificate in Lay Ministry. This class may be chosen to fulfill one requirement for the certificate in General Studies.*

Community Ministry is vital in reaching people with the gospel message. The old cliché, "People do not care how much you know until they know how much you care" is perhaps more true today than it was 20 years ago. The purpose of this class is to equip the local church and its leaders with the necessary tools to be more effective in ministering to its local context. During this class, students will gain a deeper understanding of the theology and methodology of Community Ministry.
