What's In Your Wallet?

Every woman carries a **purse**, only the size of the **purse** differs. Inside our **purses** are items that are needed and some not needed. *All of us carry more than we need, those are items we call "just in case" items.* Have some fun with your group and look into the contents of their wallets or **purse**.

On newsprint or chalkboard list the following areas, or make up your own list. Ask the group to find two or three items in their **purse** that will fall under the following categories. Share as time allows.

ITEMS TO FIND:

Something that

1. I have had a long time
2. I like to do
3. I am very proud of
4. reveals a lot about me
5. reminds me of a beautiful experience
6. gives me concern/worry
7. I prize the most

At an **American Baptist Women's Ministries'** rally, or other large group, have women get into groups of four. Share names and churches in the group. Ask each group to hurriedly come up with the **TOTAL** of these items in the group.

1. ___ Different states they have lived in
2. ___ Houses you have lived in
3. ___ Number of children
4. ___ Number of grand children
5. ___ Number of years they have been married

___ **TOTAL**

Ask the group to share their totals and have a small prize for members of the group which has the largest total, such as: package of M&M's, package of napkins, etc.
