Whhhooo Are You?

Decorate a basket with an owl and flowers! Inexpensive purchases at Dollar Tree! Before you begin your meeting, lunch or Bible study – it is okay to have a little fun! Maybe you THINK you know everyone in your group – you just might be surprised. Place your basket with owl and flowers ... attached to the backside of the flowers will be following questions.

If you could go back in time, with whom would you like to spend the day?

If you could read one person's mind, whose would it be?

If you use a computer or a cell phone, who taught you to use it?

What was the best advice you received?

What "critter" scares you?

What gift have you received that you will always treasure?

What is your favorite thing to do in your free time?

What was the worst advice you received?

If you could have one wish granted, what would it be?

And the list goes on! I am sure you can add more fun, get acquainted questions. Follow the fun time by a short devotion on "Whhhooo Are You?"

Owls have an acute sense of hearing – how quick are we to listen and actually hear what the Lord is telling us and directing us to do.

Read Psalm 46:10.

***Be still, and know that I am God;
I will be exalted among the nations,
I will be exalted in the earth.***

Prayer.
